

SOUTH WILL FALL INTO LINE—CULLOM

Republican Senator Makes Plain Statement of Southern Conditions.

(Continued from First Page.)

respect, and the Northern colored man uses his bow with wisdom and fairness. We are satisfied with him, but it is notorious, of course, that the South is not.

"And if it were not for this colored ballot in the South, the Mason and Dixon line would be wiped out of existence as far as politics is concerned. The Democratic party, or what is left of it, would then be in a sorry plight. If indeed there would remain any Democratic party to be in any sort of plight."

Getting Acquainted.

"President Taft," Mr. Cullom continued, "is showing wisdom in his Southern tour. He is a big, good-natured, wholesome, patriotic and generous statesman to whom the South or any other section may well and implicitly trust its absolute destiny. Mr. Taft is just now mingling with the Southern people in order that he may get better acquainted with them and they with him. They will find that he is the right man for the place."

"Of course, the President doesn't intend to surrender any principle, but at the same time he is willing to make concessions to the Southern people commensurate with any fair sense of justice. And likewise does he intend to eradicate the Mason and Dixon line, in my opinion, he is just the man for that task and if he doesn't accomplish it, to a certain degree at least, I shall be sadly mistaken."

"That line must be wiped out at some time or another, that much is a certainty, and I can't see why there should be any logical reason why the proper action shouldn't come right now. There are several States in the South simply ripe for falling into the Republican column."

Maryland in Line.

"Of course, Maryland is going to be a Republican State. It is pretty close to that condition now, and the prospect for its Republican solidity in a permanent way is imminent. North Carolina also is very strongly Republican, considering the conditions there. Tennessee may be classed likewise. And so the list continues."

"Now, President Taft," concluded Senator Cullom, "has a fixed idea of acquainting himself with the conditions and the people throughout this section, and he can be relied upon to give them a square deal. Naturally, he won't allow the Democrats of the South to have exclusive control of Federal patronage, but he isn't likely to offer appointments to that section which are objectionable."

"But to go back, it is of more importance to have the South with us. Therefore, I reiterate that it is the negro vote which is holding Dixieland aloof from the Union in the Electoral College. It will be a unit politically."

J. M. MARX WINS THE TIMES CUP

Schoolboy Rifle Shoot Closes Successfully—Western Winner.

Boys who were successful in the first outdoor rifle tournament ever given for schoolboys in the United States, which has just been brought to a close at the Congress Heights range, today are receiving congratulations from their friends, and one of the happiest of these is J. M. Marx, the Central High School boy, who won The Times Cup.

Great interest was centered in the competition for this cup yesterday, as it will become the property of the school winning it three times, not necessarily in succession. There was great rejoicing when it was awarded to Marx, who represents Central High School.

Theodore Robie, Arthur Garner, and James Lockwood, representing the Western High School, won individual medals for their team work, when they represented Company H, they were awarded the silver cup given by William H. Hibbs. This cup also will become the property of the school winning it three times.

To Western High School also went the inter-school team match with a score of 77 against 71 points made by McKinley Manual Training School. In this event the prizes were the championship silver cup presented by the E. L. DuPont de Nemours Powder Company, to be held by the school winning it until the next competition and at the end of the seventh competition to go to the school winning it the greatest number of times. Another cup, presented by D. J. Kaufman, became the property of the winner.

INJURED MIDSHIPMAN ON OPERATING TABLE

Earl Wilson Is Expected to Pull Through Serious Ordeal.

ANNAPOIS, Md., Nov. 7.—After a consultation this morning, in which Surgeon Charles F. Stokes, of the general medical staff of the navy, and Surgeons Anderson, Iden, Cottle, and Woods of the Naval Hospital here participated, it was decided to operate today upon Midshipman Earl D. Wilson, of Covington, Ky., a vertebra of whose neck was broken during a football game October 16.

All the surgeons taking part in the operation are of the naval medical service, an dit began at 1:30 this afternoon. The operation will be undertaken with the consent of Midshipman Wilson and of his father, W. B. Wilson, of Covington, Ky. It is hoped to remove the pressure on the spinal cord caused by the fractured vertebra of the neck. It is admitted that the risk is great, not so much from the operation, but that Wilson will not be able to stand the effects of the operation.

However, Wilson's vitality and his excellent general condition have surprised the surgeons, and it is believed that he has a good chance of going through the operation and anesthetic without too great a risk.

PLAN SAVING MAN FROM DEATH CHAIR

Alexandria Attorneys Will See Governor in the Interests of Calvin Johnson.

WASHINGTON TIMES BUREAU.

ALEXANDRIA, VA., Nov. 7. A final effort to save Calvin Johnson from the electric chair will be made by Attorney Lewis H. Machen next Friday, when Mr. Machen will go before Governor Swanson, and, bearing a petition signed by a number of the jury which convicted Johnson, ask the governor for a commutation of the sentence of Johnson to life imprisonment in the penitentiary.

Neither Judge Louis Barley nor Commonwealth's Attorney S. G. Brent would sign the petition to the governor. Mr. Machen, when seen this morning, was hopeful of having Johnson's sentence commuted, stating there was a large percentage of citizens here who doubted the story told by Henry Smith, coired, on the witness stand. It was practically on Smith's statement that Johnson, Pines, and Dorsey were convicted.

Attorney Machen will leave Alexandria Thursday evening, and if he fails in obtaining executive clemency Johnson will be electrocuted in the State penitentiary in Richmond on the 19th inst. Pines on the 25th inst., and Dorsey on December 3.

The funeral of Mrs. Minnie Nolan was held from her home, 1115 Duke street, this afternoon and was largely attended. The funeral services were conducted by the Rev. C. B. Bulla, of the Methodist Episcopal Church, South, and the pallbearers were Clarence Fletcher, Frank Jefferson, William Owens, John Duncan, Robert Sherman, and John Mitchell. The burial was made in Bethel Cemetery.

The remains of the late Miss Mamie Clark were brought on the train from Annapolis at noon today and taken to St. Mary's Catholic Church, where funeral services were conducted by the Rev. Father Henry J. Cudde. The burial was made in St. Mary's Cemetery.

It was announced at St. Mary's Church this morning that the Rev. J. Augustine Van de Viver, Bishop of Richmond, would administer the sacrament of confirmation in that church on the morning of Sunday, December 19.

V. Brown, an Alexandria glassblower, living at 425 North Columbus street, reports he lost a 20 bill on the street going from his home to King street last evening.

The Young Men's Senate will next Tuesday evening hold an oyster roast at the Young People's building, in South Washington street. The officers recently elected will be installed next Tuesday evening.

"Shall Our Debt Be Paid?" was the subject of the sermon delivered at the First Baptist Church this morning by the Rev. W. F. Watson, the pastor. This evening Mr. Watson will take for the subject of his sermon "Can We Save the World in This Generation?"

Salvo Glorioso Turns on Gas in House on Delaware Avenue.

Penning a note to a relative and leaving \$2 with which to pay his room rent, Salvo Glorioso, a carpenter, about twenty-five years old, turned on the gas in his room at 250 Delaware avenue northeast, last night, and this morning was found dead.
